## **DETAILED ACTION**

In response to the Amendment filed July 12, 2006

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance:
  - a. Claims 25 – 35 are allowable over the Prior Art of Record because it fails to teach or suggest a measuring device comprising a coupling in operative association with the elongate member, the coupling comprising a first section and a second section being rigidly coupled to each other at 90 degrees relative to one another, and being adapted to rotatably hinge to said elongate member about an axis in combination with the remaining limitations of the claims.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
